1. DUOMO DI MONZA

duomomonza.it

The Duomo with its gathered square, center of the religious life, stands in the heart of the city. The Lombard Queen Theodolinda built in about the year 595 a first building entitled to St. John the Baptist, which will become the present basilica over the centuries.

2. MUSEO E TESORO DEL DUOMO E CAPPELLA DI TEODOLINDA

museoduomomonza.it

The legend of the Regina Teodolinda is narrated through 45 splendid scenes painted at the end of the 15th century on the walls of the Chapel of the same name, inside the cathedral. Here is kept the Iron Crown, a precious object and symbol of great importance, used for the coronation of emperors and kings as kings of Italy. Attached to the cathedral is its Museum, which houses a collection of masterpieces unique in the world: from the Treasure of the Lombard kings to works of contemporary art.

The legend of Queen Theodolinda is told through 45 stunning scenes painted in the mid-15th century on the walls of the Chapel of the same name, inside the cathedral. Here is kept the Iron Crown, a precious object and symbol of great importance, used for the coronation of emperors and kings as kings of Italy. Attached to the cathedral is its Museum, which houses a collection of masterpieces unique in the world: from the Treasure of the Lombard kings to works of contemporary art.

3. ARENGARIO

Erected at the end of the 13th century, the Arengario, is the old Municipal Hall, which, with its arcades on the first floor once housed the covered market.
