Types of Data Collected

Among the Personal Data collected by this Website, either independently or through third , are: Common Personal Data; Universal Unique Identifier (UUID);

Full details on each type of Personal Data collected are provided in the relevant sections of this privacy policy or by means of specific information texts displayed prior to the collection of such Data.

Personal Data may be freely provided by the User or, in the case of User Data, automatically collected during use of this Web Site. Unless otherwise specified, all Data requested by this Web Site are mandatory. If the User refuses to communicate them, it may be impossible for this Web Site to provide the Service. In cases where this Web Site indicates certain Data as optional, Users are free to refrain from communicating such Data, without this having any consequence on the availability of the Service or its operation.

Users in doubt as to which Data are mandatory are encouraged to contact the Controller.

Any use of Cookies - or of other tracking tools - by this Website or by the owners of third party services used by this Website is for the purpose of providing the Service requested by the User, in addition to the additional purposes described in the this document and in the Cookie Policy.

The User assumes responsibility for the Personal Data of third parties obtained, published or shared through this Website.

Method and place of processing of collected Data

Treatment modes

Controller takes appropriate security measures to prevent unauthorised access, disclosure, modification or destruction of Personal Data.

Processing is carried out by means of computer and/or telematic tools, with organisational methods and logic strictly related to the purposes indicated.

Conservation period

Unless otherwise stated in this document, Personal Data are processed and stored for the time required by the purpose for which they were collected in compliance with the provisions of the law.

Purpose of Processing and Legal Bases

The User Data are collected to enable the Controller to provide the Service, processed on the legal basis of necessity to fulfil legal obligations as well as for a public interest or the exercise of public authority.

In order to obtain detailed information on the purposes of the processing and the Personal Data processed for each purpose, the User may refer to the section 'Personal Data Processing Details'.

Details of Personal Data Processing

Personal Data are collected for the following purposes and using the following services:

Contacting the User

Contact form (this Website)

The data requested by filling in the contact form or other forms published on the site are necessary for the purposes indicated and processed in accordance with the regulations on the processing of personal data, collected in a minimised manner and kept for the time strictly necessary.

Mailing list or newsletter (this website)

By registering for a mailing list or newsletter, the User's email address is automatically added to a list of contacts to whom email messages may be sent.

You can discontinue communication at any time by clicking on 'unsubscribe' at the bottom of each newsletter.

Scope of Communication and Dissemination

All persons formally designated and authorised to process data may be aware of your data according to their respective authorisation profiles.

The data may also be disclosed to the following categories of persons:

- IT infrastructure managers
- webmaster;

and to all those to whom, by law or secondary legislation, it may have to be transmitted. Personal data provided will not be processed outside the European Union.

Exercise of rights

The data subject may exercise, at any time, the rights provided for in Article 15 et seq. of the GDPR by sending an email to privacy@comune.monza.it or by writing to Comune di Monza - Piazza Trento e Trieste. The interested party, if the conditions are met, also has the right to lodge a complaint with the Guarantor for the protection of personal data, should he or she consider that the processing of his or her personal data is in violation of the provisions of the regulations in force.

For the processing of personal data via cookies, please refer to the specific information sheet.
